

# FRANCE JESUS

This story didn't start 2000 years ago, but in 2017 as a moniker of Chris Blackburn on the beloved Groove Cruise - the largest and most spectacular festival to hit the Seven Seas. His love of Trance music along with his seeming likeness of Jesus Christ has brought love and admiration.

From the multiple appearances on the biggest festival on the Seven Seas, Groove Cruise, his home in Minneapolis, as well as in clubs from Coast 2 Coast from Florida to California. His joy is connecting with people in the Trance family and bringing excitement for the genre.

During the COVID lockdown, he continued to share the good news of Trance across the internet on Twitch, with nearly 150 episodes of the Church of Trance livestream. He also blesses the airwaves each month on Afterhours FM, bringing the Church of Trance every 4th Friday of the month.

With Trance being a passion of his for over 26 years, 20+ years at clubs and festivals. The last 7 years have translated to being features on lineups alongside some of Trance biggest names, working behind the scenes to produce events, & managing rising Trance artists at Coast 2 Coast Music.

Nonetheless, when the heavenly job in Trance doesn't keep him busy, he spends his days in his earthly job as an IT consultant, is a the father of 3 boys, & married to the love of his life for 22 years.
